California, Louisiana Schools Win NASA's Moon Buggy Race

A team of students from the University of California at Santa Barbara emerged victorious Saturday in the Fourth Annual Great Moon Buggy Race at the Space & Rocket Center. The students won a trip to KSC to watch a Space Shuttle launch. In the high school division, Monterey High School in Monterey, La., finished in first place. The team's prize is a weekend at Space Camp. Sixteen colleges and high schools participated in the Marshall-sponsored event.

Resume, Job Hunting Seminar

A seminar on electronic resumes and how to hunt for a job on the Internet will be held 9 - 11:30 a.m. Tuesday in Bldg. 4723, Room 115. The session is sponsored by the Career Transition Assistance Program (CTAP). **Contact:** CTAP, 4-2400.
